Tentative Show Practice Days and Dates

Level	Day	Dates
Int FS or compete Juv Well Balanced***	Tuesdays	5/1, 5/8, 5/15
Pre-Juv, Juv FS Or compete PP, P, PJ Well Balanced	Thursdays	4/26, 5/3, 5/10
FS 6 - Prel FS	Wednesdays	5/2, 5/9, 5/16

All practices are mandatory. It is at the discretion of the coach to allow skaters who miss 1 practice to participate.

***** May include Graduating Seniors and appropriate ice dance level**

Skaters in the levels listed above will be divided into groups based on a compilation of several criteria. We reserve the right, based on sign up, to move skaters to an appropriate group (age and level)

Not every skater signing up will qualify for a solo, step out, duo, trio, or quad. Priority is "A" skaters followed by "B" and "B*" skaters in conjunction with the Show Placement Criteria Form.

Please note the new show policy:

A solo will only be awarded if participation in the previous year's show (including high school seniors). A skater that has an extenuating circumstance that prohibited participation the previous year, may petition the Skating Director to use a previous show (within the past two years) to fulfill this requirement. This requirement will be waived for all 2018 show soloists but will go into effect for the 2019 show.

Late Forms accepted at discretion of Show Committee

Show Placement Criteria 2018

Soloists

The Show committee for this year's show will choose the skater's song. However skaters may submit music for consideration if dissatisfied with the choice. If a skater chooses not to skate to an "approved" song by the show committee, the solo will be forfeited and the skater may skate in the group number they qualified for and the next skater in line may receive a solo. Solos will be choreographed during private lesson times. Skaters are **REQUIRED** to choose a show costume from show costume books provided. All costumes must be approved by Show Committee. All soloists will be charged an additional \$75 for show costumes. Should a costume be more expensive or not chosen by the deadline needed for shipping the skater will be required to pay additional fees.

NEW SHOW POLICY:

A solo will only be awarded if participation in the previous year's show (including high school seniors). A skater that has an extenuating circumstance that prohibited participation the previous year, may petition the Skating Director to use a previous show (within the past two years) to fulfill this requirement. This requirement will be waived for all 2018 show soloists but will go into effect for the 2019 show.

Step Outs

Skaters will have an opportunity to perform on their own during a group number to music selected by the show committee. Skaters assigned a step out will practice with an assigned coach for 2 weeks during a different group number practice time. You must choose a day different than your group number day. The cost for a step out is \$140 and includes the practice and costume chosen by the show committee.

Duos, Trios, Quads

Skaters will practice at an assigned time with an assigned coach to music selected by the show committee. You must choose a day different than your group number day. The cost for a duo, trio, or quad is \$140 and includes the practice and costume chosen by the show committee.
